

**Struggling with getting to work on time?**

**Fed up with being the last one to arrive at work and first one to leave?**

**Child too tired for after school club?**

**Want to avoid hectic breakfasts at home with high-energy kids?**

## **THE CCC BREAKFAST CLUB IS THE ANSWER TO YOUR PROBLEMS**

**CHILDREN'S  
CREATIVE  
COMMUNITY  
CLUB**

From 7.30 am – WE will give your child a healthy breakfast, get them mentally prepared for school, maybe do some yoga, story-telling and crafts, or help them practice their reading and writing. Then we'll drop them off at school on time.

YOU get a seat on the train and arrive at work before your colleagues, so can work a full day and still be able to pick the kids up from school...
