

# CHILDREN'S CREATIVE COMMUNITY CLUB

## NEW BREAKFAST AND AFTER-SCHOOL CLUB AT TELEGRAPH HILL CENTRE

### OPENING SOON

Picking up from John Stainer, Haberdasher Aske's  
Free School and Edmund Waller

**W**e are local parents who wish to create an amazing place in which our – and other – children can grow, develop, learn and create as part of the community.

#### Schools covered

The CCC Club will drop-off to and pick-up from John Stainer, Edmund Waller and Haberdashers Primary Schools. At launch, we will be able to look after children aged 5 and above.

#### Capacity

At launch, The CCC Club will have capacity to look after 24 children per morning and 24 children per afternoon session. This comprises 22 'regular' places plus 2 'last minute' places (available on a 'first come first served' every day). Full-

time places preferred but part-time available.

#### Registration

Registration is not yet open but email us below to register your interest.

#### Our aims

To provide a happy, safe, stimulating, supportive, inspiring and FUN environment in which children will thrive and develop as rounded, creative and responsible members of the community in which they live.

To provide an exciting place to work for our staff, which will allow them to develop themselves and the children in their care, and to pay and reward them at a rate that makes their employment in inner London sustainable.

We are a Community Interest Company because we are a social enterprise. Any profit will be used to invest in the CCC Club. No directors will receive dividends.

#### COST

##### Breakfast Club

Monday–Friday 07.30–09.00  
£5 per child per day (sibling discounts available)

##### After-school Club

Monday–Friday 15.15/30–18.30  
£12 per child per day (sibling discounts available)
